EPITOME 23
(A 24 HOURS ALL INDIA HACKATHON)

The EPITOME 23 Hackathon is an event that brings together project leaders, developers, and designers to achieve a large goal in digital spaces. Learning the details of these events, why businesses and leaders should use them, and how to host them can make a massive difference in the success of project outlook and achievement. EPITOME 23 is an all-India National Hackathon event conducted by the GSDC-SB (Student body of GRIET Skill Development Cell). Registration fee of Rs.400/- is collected from each participant, and around 5 lakhs is spent on this event out of which Rs.1.52 Lakhs worth of cash prizes are distributed to the winners of the EPITOME 23 Hackathon.

Resources Provided To The Participants:

EPITOME 23 – A 24-hour Hackathon Commenced at 11 am - Jan 27th and continued till 10 am - Jan 28th. 2.5 Gbps Internet Bandwidth is provided to the participants. This Hackathon is conducted in Air conditioned Hall 1 and Hall 2. Breakfast, lunch, and dinner are provided at the same premises to all the participants. Separate restrooms are provided for both boys and girls. Security, technical staff, and medical support are also provided. Around 90 members including volunteers, student body members, and some lady and gent faculty members took part in this around-the-clock event.

Evaluation and Prize distribution:

Two Judges are allocated to each domain. Judges are picked from various backgrounds and most of them are industry experts from the states of Telangana and Karnataka. They evaluated the participant's projects in a prescribed format and submitted the results in a sealed cover. In the presence of our title sponsor PiSquare Managing Director Mr. Ravi Kottapalli and SDC Incharge Dr.G.S.Bapi Raju, Our principal Dr.J.Praveen, and Director Dr.J.N.Murthy announced and presented the awards/certificates to all the winners of the EPITOME 23 Hackathon.

Domains offered to the participants :
